

TOWNSHIP OF CHAPPLE

CLASS ENVIRONMENTAL ASSESSMENT

AHRENS BRIDGE OVER STURGEON CREEK

ON STURGEON CREEK RD 3.0 km WEST OF HIGHWAY 71

LOT 10, CONCESSIONS 4 AND 5

NOTICE OF STUDY COMMENCEMENT

The Township of Chapple is studying the structural and physical deficiencies associated with the Ahrens Bridge. Options include rehabilitation or replacement in order to eliminate all deficiencies and provide improved levels of traffic service and overall safety.

The project is being planned as a Schedule B project under the Municipal Class Environmental Assessment process.

Public input and comments are invited and will be received until June 8, 2018. Subject to comments received and receipt of necessary approvals, the Township of Chapple intends to proceed with the planning, design, and construction of this project to be completed by 2019.

If you wish to comment on this project or provide input or require further information, please contact:
