The Municipality of Chapple would like to take this opportunity to thank the following individuals and businesses for their generous donations to our July 1st Celebrations. Thank you to Chapple Recreation and their team of volunteers for their hard work on the Kids Parade & Games. Thank you to Gary Judson & his team of volunteers for arranging the Old Iron portion of the Parade & being our chief donation collector. Thank you to the Barwick Blue Knights & volunteers for arranging the Baseball Tournament, canteen, and running the beer gardens. We would also like to say Thank you to our generous sponsors who have supported this year's community festivities. Barwick Service, Barwick Village Restaurant, Car-Dale Transportation, Cloverleaf Grocery, Darren Borger Trucking, Emo Drugs, Gary & Janet Judson, John Gavel Custom Manufacturing, JTJ Contracting, Kaemingh Fuels, Manitou Forest Products, McLean's Auto Body, ML Judson, Norlund Oil (2003) Ltd., Northridge Funeral Home, Ted Halvorsen, Tompkins Hardware, Visser Auto & Truck Accessories, and Wally's Marine Service. Through the work of our dedicated volunteers and the support of our generous sponsors much of the fun and festivities for Barwick's July 1st Celebrations could not have taken place.

Heritage News

The Museum will be open Friday August 26th - 10 a.m. - 3 p.m. and Saturday August 27th - 10 a.m. - 3:00 p.m. for the remainder of August. To come to museum any other day or time, please call 487-2655 to arrange for a visit.

A big thank you to our summer student, Madison Brown, for a job well done at the museum this summer.

THUNDERSTORMS

Thunder storms are accompanied by lightning and may produce damaging weather such as tornadoes, hail, high winds and heavy rain. In Canada, lightning kills on average 9 to 10 people and seriously injures 92 to 164 people a year. When you are building your family emergency plan review and discuss these safety tips with your entire household to make sure everyone understands what to do. Make your Emergency Preparedness Action Plan. **General Tips: If you are indoors:**

- Stay indoors when a thunderstorm strikes. Remain indoors for at least 30 minutes since the last rumble of thunder to ensure the storm has moved well away from your location.
- Strong winds and large hailstones can shatter windows. Stay away from all windows, skylights and doors.
- Stay away from running water inside a house. Lightning can enter a house through pipes and plumbing. This means no showers or baths during a thunderstorm. **If you are outdoors:**
- if you hear thunder, then lightning is close enough to be dangerous. Move immediately to a place of shelter. Go to a well-constructed, enclosed building. Small, open structures do not provide protection from lightning.
- Avoid water, high ground, isolated trees, picnic shelters and power lines.
- There isn't a place outside that is safe during a thunderstorm. Make every effort to get into a solid shelter or metal-topped vehicle. If neither are available, find a low-lying area away from tall, pointy, isolated objects, crouch down and put your feet together. Do not lie down. Cover your ears to reduce the threat of hearing damage from thunder. **Prepare Now:**
- Review and discuss the safety tips with your entire household to make sure everyone understands what to do in a severe thunderstorm.
- Designate a safe place in your home away from windows, skylights and glass doors for household members to gather during a severe storm.
- Remove existing rotting trees and branches that could fall and cause injury or damage during a severe thunderstorm.
- Make a list of items to secure or bring inside during a storm such as garbage cans and lawn furniture.
- Use a surge protector (a special safety plug unit available at discount and hardware stores) to protect electrical items throughout your home. This will automatically shut down the electricity if lightning strikes, to prevent fires and damage to individual household items.

Chapple Recreation is looking for more volunteers to help them plan and run Recreation Activities! During the past year the current Recreation Board has had movie nights, a Vendor Blender, partnered with Heritage for the Picnic in the Park last summer. They have hosted a family day event, and July 1st Activities, and a Youth Fast Pitch Clinic! Along with these numerous activities, they have sought special funding opportunities through the Canada 150 Grant to do repairs and upgrade existing playground and recreation equipment; along with Healthy Kids Community Challenge for the Fast Pitch Clinic. IF YOU ARE INTERESTED, Contact the municipal office @ 487-2354 or Krista Anderson @ 275-7938. Meetings are every third Wednesday of the month at the Municipal Office.

The Chapple Fire Department is looking for more Volunteer Fire Fighters!!! An application can be printed off our website at <http://www.chapple.on.ca/fire-department-0> or picked up at the Municipal Office.

For more information contact Joshua Colling, Fire Chief at 271-4230
